Education & Professional Affiliations

Georgia Tech, Atlanta, GA | Data Science and Analytics Certificate (2021), 4.0 GPA

Ashford University, San Diego, CA | Executive M.B.A in Organizational Leadership (2019), 4.0 GPA

Brenau University, Gainesville Georgia | Bachelor of Science, Mass Communication (1997)

Additional Certificates — ITIL V3, VMware VCP5-DCV & VCA-DCV, Microsoft MCSA 2012, and Certified Helpdesk Manager

Professional Experience

Manager, Production Operations - Cox Enterprises, GA 2017-present

- Reduced database platform technical debt by \$60,000 by consolidating multiple Microsoft SQL clusters environments
- Completed Control-M upgrade project three months early resulting in a \$25,000 cost savings
- Utilized data mining and visualization dashboard to justify headcount to meet deadlines

Founding Co-Chair, Employee Resource Group – Cox Enterprises, GA 2016-2017

- Established leadership team, set strategy, objectives, and KPI's combined business strategies with inclusion and diversity initiatives
- Influenced expansion of health care benefits coverage for transgender workforce
- Gained DiverstiyInc, Forbes Best Employers for Diversity, and Human Rights Campaign Best Places to work status

Problem Manager - Cox Automotive, GA 2015-2017

- Reduced service outages by creating dashboards to monitor product failures, estimated saving of \$350,000+
- Streamlined department onboarding process, reducing timeline by 60%

Technical Analyst – Cox Media Group, GA 2011-2015

- Implemented OS patch solution, improved success rate by 39% and reducing staging time by 80%
- Built lower-level environments previously not established, decreasing incidents by 35%
